No. 1 of 2017

*This newsletter will be produced regularly to acknowledge and **THANK** our partners and sponsors (support those who support us) and also thank our members, players and staff for their efforts in 2017.*

President's Message:

Welcome to our first Hawks Newsletter for 2017 and a new footy season. We always love the start of a new footy season with hope and optimism that your club or team will do well, improve on the previous year, and bring success to your club.

If the amount of work and dedication by a number of volunteers and club stalwarts has anything to do with it, we should be assured of terrific achievement and success this year. It takes the commitment of many people within our club to get the teams onto the field each week for a full season. That work began at the end of last season and has been well and truly underway since then.

I have had the pleasure of watching our Rising Stars team play in a couple of their early matches this season. While a win is yet to come, these young players are showing courage and a determination not to give up, despite what the scoreboard might show. I want to commend them along with their coaches and manager, on their efforts to date. The future of our club can be seen in these games. Sure we face some challenges, however that is not going to stop us from having a go, backing ourselves in, and playing for each other and our club. Good on you, if you continue the way you have started, we are all going to be very proud!

This newsletter gives me the opportunity to say a big thank you to Janinne Monger and her offsider Georgia Evans, who have volunteered to take on the Canteen for this year. The canteen is so important – it raises much needed funds for our club, and also offers a great game day service to the fans attending our home games. Thank you Janinne and Georgia...Thank you!

We have a great family and community club, of which we can all be very proud. The Members of the Board and I wish everyone a great footy season.

Go The Hawks!

Annette Ellis

(P.S. My personal thanks to the Editor of this Newsletter, Ray Ghirardello. I'm not sure he wants this gig fulltime, so if you think you can help out, do let us know!)

Great Sportsmanship – Mitch McGann

At the above game, Mitch displayed a great example of sportsmanship – something the Hawks pride ourselves on. We received the following email in recognition of this act. Well done Mitch.

Good Afternoon,

“I am the Rising Stars Coach with the Ainslie Football Club and wanted to drop you (your Rising Stars Coach & Players) a note of thanks.

Whilst on the scoreboard at the weekend the game appeared one sided, however, the game was more of a contest than that suggested.

During the dying minutes of the game, an Ainslie player went to ground with cramp. In some agony and unable to 'stretch it out', a Tuggeranong Hawks player assisted him by helping him to stretch by holding his affected leg. A simple gesture of sportsmanship that caught my attention and I want to pass on my thanks.

I briefly thanked your player after the match, however wanted to ensure the team knows it was very much appreciated.

Good luck for your season.”
