Match Report Round 1 - 2017

Hawks Women vs ADFA at Greenway on Saturday 22 April

Firstly, congratulations to the debutants that played last week – Alanna Wren, Beth Matters, Bree Maxworthy, Courtney Holgate, Georgia Ingle, Karen Donlan, Kelly Donnelly, Maddy Clarke & Shaquille Chong. You all played very well and will only get better with more experience playing.

Big thanks to Dylan Johnstone (runner), John Diamantaris (water) and Barry McElhinney (trainer) for their assistance last week. It was greatly appreciated.

While not a good day for the Tuggeranong club overall, the women's team came away with a solid home win against ADFA. ADFA played really well in the first half to really test us, but in the 3rd quarter we really stepped up a gear and played more like a team. Even our accuracy got much better in the second half – kicking 7 goals 2 behinds compared to the first half of 2 goals 5 behinds.

Given it was our first hit-out as a team, it was expected to take some time to find out feet. With a solid, but not necessary brilliant, first half out of the way, a few positional changes were made to see if we could start dominating ADFA all around the ground. Annie Ghirardello was excellent at CHB, stopping many ADFA attacks and creating play for our forwards. While all of the backline players went well, Lydia and Georgia in particular were both excellent all day. Beth, at her first game of footy, also played very well at full back.

At the other end of the ground, moving Shaquille to the forward line proved very beneficial, with her kicking 3 goals. Kylie Murray (in her second game of footy) also contributed greatly with 2 goals. In the second half, the defensive pressure by our forwards was excellent. Great to see Maddy get her first goal too.

Led by Kat Ghirardello in the centre, all midfielders played well and combinations started to work together.

Special mention should go to Karen Donlan. Making her football debut at age ... well let's just say 'mature', she was very good all day. This culminated in her jointly (with Shaquille) winning players player. Well done Karen.

Hardly surprising, a lot of the players felt sore over the next couple of days – albeit they were very happy to get some tackling out of their system ☐

Overall we were very happy with how the team went, especially the second half. Let's build on that form and get better through the season. That means keeping up the excellent vibe and enthusiasm at training.

Off to Wagga for our next game will, as always, be a real test. Riverina always play well and we'll need to play well as a team and be well prepared to come away with a win. Good luck.

[Tuggeranong Hawks Volunteer of the Week](#)

This week's Tuggeranong Hawks Volunteer of the week is **Alana Packer**.

Alana has taken on the role of Manager for the Hawks Rising Stars team which has involved a great deal of chasing up and organising players. She has also assisted with the Hawks youth girls teams, liaison with the Tuggeranong junior teams and general assistance around the club.

The Tuggeranong Hawks greatly appreciate what you have done and thank you Alana.

Each week the Tuggeranong Hawks will celebrate the efforts of volunteers. If you know of a volunteer who you think should be considered for recognition, please submit an email to manager@tuggeranongfc.com.au nominating a person and in 50 words or less, why they would make a good volunteer of the week.

Being a community club, volunteers are an integral part of the makeup of Australian Rules in the Tuggeranong Valley. There are so many jobs that are required each week to put teams on the field in juniors and seniors. If you feel you can assist in any way, please contact a representative of the Tuggeranong Hawks and offer your services. It would be greatly appreciated.
