

## [Tuggeranong Hawks Volunteer of the Week](#)

This week's Tuggeranong Hawks Volunteer of the week is **Alana Packer**.

Alana has taken on the role of Manager for the Hawks Rising Stars team which has involved a great deal of chasing up and organising players. She has also assisted with the Hawks youth girls teams, liaison with the Tuggeranong junior teams and general assistance around the club.

The Tuggeranong Hawks greatly appreciate what you have done and thank you Alana.

Each week the Tuggeranong Hawks will celebrate the efforts of volunteers. If you know of a volunteer who you think should be considered for recognition, please submit an email to [manager@tuggeranongfc.com.au](mailto:manager@tuggeranongfc.com.au) nominating a person and in 50 words or less, why they would make a good volunteer of the week.

Being a community club, volunteers are an integral part of the makeup of Australian Rules in the Tuggeranong Valley. There are so many jobs that are required each week to put teams on the field in juniors and seniors. If you feel you can assist in any way, please contact a representative of the Tuggeranong Hawks and offer your services. It would be greatly appreciated.
